January-February 2019

Producing the online store of swimming wear for client from Sochi. Using Vanilla JS, GULP, HTML/CSS, LESS. Still in progress.

ABOUT

I have saturated half-year experience with programming web-applications. I want to become a strong developer in the shortest time. In this way I'm spending a lot of time for selfeducation and trying to be always in progress. In addition, I can easily and with joy become a part of the team.
